

Credit Risk Analyser: Understand your credit risk

Analyse your portfolio in just a few clicks:

We have developed Credit Risk Analyser – a free tool to help you assess your customers and the risk to your business:

- See how the average rating of your customers based on our probability of default prediction has evolved over the past 12 months.
- Find out where your customers sit within our risk scale.
- See details of your top customers and sectors to see if you have any customer or sector concentration risk.

How it works:

To obtain your free Credit Risk Analyser Report, simply click the below link and fill in the online form:

<https://creditriskanalyser.com/>

You will be contacted by a member of our team to provide us with an aged debt report.

Did you know?

Because the future isn't always as expected, we predict trade and credit risks today, to protect cash flow tomorrow.

With over 100 years of investment in data, our global business intelligence is unrivalled. Our expert analysts use technology-driven processes to generate insights and present actionable information to businesses of all sizes and in all sectors.

About Allianz Trade

Allianz Trade is the global leader in trade credit insurance and a recognised specialist in the areas of surety, collections, structured trade credit and political risk. When the unexpected arrives, our AA credit rating means we have the resources, backed by Allianz to provide compensation to maintain your business.
